

***“Everyone should be  
safe from fire  
in their own home!”***

Your family should have a smoke detector on every level of the home.  
And, they should be tested regularly!

***Residents unable to purchase or install their own***  
may call the Fair Lawn Fire Prevention Bureau to provide & install

***FREE  
SMOKE ALARMS***

***And, if you need help testing the smoke alarm or changing its battery . . .  
we'll do that too. Free-of-charge !***
